Hi Laura,

So heard from PSC – no availability. Exception – Dee is out until 9/11...we could wait until she gets back to see if she's available for another deployment. However, that may mean someone else gets very little notice to deploy. I guess I'd say we turn this one back to Greg but wanted to give you the full scoop and see if you had a preference. Thanks, G

Gina,

Ditto one more time: please check with our qualified individuals and see if they are willing to deploy for the requested dates. If it makes it more attractive to anyone, I'll be in Durango during these deployments and we're going to be having LOTS of fun! Thanks, lw
